### Commander's Message

**Doldrums:** An expression originated from historical maritime usage describing parts of the Atlantic and Pacific Oceans affected by low pressure areas where prevailing winds remain calm and still and can completely disappear.

As we recover from the hectic holiday season and are embraced by old man winter, let's continue to focus on personal and professional goals we set out to accomplish for 2019. It's challenging to not be affected by the winter doldrums. With that said, I want to personally thank Matt, Mike Dunham and Mike Purcell for making progress on the upstairs children's area. We are also in the process of planning to replace the canteen flooring to blend the entire space with a durable and aesthetically pleasing material. Please continue to volunteer and support our Auxiliary efforts at the VA Hospital and beyond. We have several events in planning for the upcoming Spring, and look forward to maximum participation from our members.

This month is also a great time to keep those romantic sparks glowing. Bring your significant other to our Valentine's Day Party on Saturday night, February 9<sup>th</sup>. As of this writing, the Queen of Hearts pot has not been claimed and continues to grow. Karaoke continues to be very popular and we intend to continue singing at least two Saturdays a month.

This month in History:

**February 22<sup>nd</sup>:** General/President George Washington's birthday

**February 19<sup>th</sup>- March 26<sup>th</sup>, 1945:** The brutal battle of Iwo Jima, designated Operation Detachment, was fought with the goal of capturing the island which included three airfields of strategic importance.

Semper Fidelis,

- Rick Lyons

## *Quartermaster's Report*

Happy New Year!

We will be discontinuing distribution of a hard copy newsletter and switching it with frequent website updates, emails, and social media posts. The canteen menu will be updated more frequently and thus be more accurate.

Command will be sending out a final written correspondence next month that will include a postmarked return mail for members to include their updated contact information. Each respondent will be entered into a \$500 total prize cash raffle in which you don't have to be present to win. The goal is to have the most accurate contact info as possible.

Congrats to our volunteer of the month, Mikey Purcell! Thanks for your help on the upstairs area.

Scouts out.

- *Matthew Kanne*
